I want you DEAD

I wish you had died. I prayed
for you to die as many times
as I hoped the opposite

You are so foul

You just...think ur being so
nice about things but ur not

U did a whole bunch of shitty
stuff and are trying to
consolidate ur debt with me
by being nice

And blanket statementing
some "sorries" to avoid being
held accountable for each
thing

I think u want to do that bc u
